MISSION STATEMENT

OUR PURPOSE

To create high-performance SPC flooring and skirting systems that deliver long-term reliability, installation efficiency, and architectural harmony in every space.

OUR VALUES

To carry the responsibility of being a family-owned company into every partnership — acting with trust, consistency, and a long-term perspective.

OUR COMMITMENT

To continuously improve our products through innovation, precision manufacturing, and sustainable production methods.

OUR PROMISE

To provide professionals with complete, system-based solutions that simplify application and add measurable value to their projects.

KEERNIT

ABOUT OUR PRODUCT

Flexible edge structure –

perfectly adapts to wall imperfections, eliminating the need for additional fillers

Concealed cable channel –

clean and organized spaces with no visible wiring

Fast and practical installation –

installer-friendly systems that save time on site

High impact & moisture resistance –

maintains its form and finish for years

Refined surface finishes –

compatible with contemporary architectural styles
